The Sippchoice Bespoke SIPP, administered by Dentons Pension Management Limited (Dentons), can invest in any of the investments in Sections 2 - 6 of this questionnaire subject to satisfying our due diligence requirements and that it will not constitute indirect investment in 'taxable property' (i.e. residential property and/or tangible moveable property) at any time while the SIPP holds the investment.

Details of how to establish that a proposed investment will not constitute indirect investment in 'taxable property' is set out in the separate 'Guidance for a non-standard investment' form. If you believe that the proposed investment(s) is (are) permitted, please complete all relevant sections of this questionnaire, sign and date the declaration and return the questionnaire to us. **Section 2 Shares in an unquoted UK limited trading company (continued)**

It is important that Dentons is aware of the percentage holdings of the main shareholders as we need to ensure that the pension scheme, either alone or together with associated persons (please see definition), would not have control of the company with over 50% of the shares. Therefore, we either look for diversification of ownership where the pension scheme or parties connected with it together with a combination of up to any four other shareholders cumulatively hold less than 50.01% of the shares or there is already an unconnected single shareholder with outright control, ie holds over 50.01 % of the shares.

If you are able to purchase the shares as outlined, please provide a FULL list of the company shareholders post-purchase and their shareholding.

Dentons will appoint their chosen solicitor to produce the appropriate documentation e.g. legal charge for security and loan agreement.

The main acceptable form of security is commercial property and must be secured by a first charge of at least the equivalent value of the loan plus interest. The asset used as security need not be owned by the borrower. Dentons' position is that security must take the form of land or property and we will review each transaction individually.

If unsecured or secured but not a first charge, please provide copies of the company's accounts for the most recent three consecutive years and a copy of the most recent management accounts.

| B  | I have read in full, understood and agree the terms of all documentation published by the promoter, provider, broker and adviser (as appropriate) that is relevant to the proposed investment and taken such advice (if any) as I believe appropriate to my circumstances.  |
| C  | I confirm that neither Dentons nor any subsidiary company has given me any investment advice or other advice or exercised its judgment on the merits, suitability or otherwise of the proposed investment(s).   |
| D  | I acknowledge that Dentons has recommended that I take financial advice before undertaking the proposed investment and, if I do not, that making the investment is entirely at my own risk.   |
| E  | I understand that Dentons has the discretion to restrict the amount that can be invested or not to proceed with the investment at all and shall have no liability if it exercises this discretion.  |
| F  | I understand that any property offered as security for a loan will be subject to individual acceptance by Dentons.  |
| G  | I shall be held responsible for all or any cost, loss, expense, tax (or other) charge or liability, made, incurred or suffered by me personally or by my SIPP as a result of making the investment(s) and I hereby undertake to indemnify and keep indemnified Dentons and any of its subsidiary companies from and against any such cost, loss, expense, tax (or other) charge or liability, made, incurred or suffered by it or them (including any associated legal or other fees and costs incurred by them) as a result of the investment(s) being made.   |
